

Chairman of the Committee for Education for Life, Intercoiffure Mondial Paris

Dear Intercoiffure friends,

Education for Life day of action
First Saturday in December – worldwide donation day for all Intercoiffure salons

The first Saturday in December is your day for Education for Life. Throughout the world, the participating Intercoiffure salons will donate at least 10% of the day's takings to the aid schemes supported by Intercoiffure Charity Deutschland or Education for Life respectively.

Tell your customers about the action. Please put a collection box on the counter, distribute the education folders and use the action for your own public relations, and by putting posts on social media such as Facebook. You can also order a roll-up poster for this campaign. You should submit your order by the end of October at the latest to our Board member, Ludwig Janz (charity) at Bauer & Guse.
